Visa-refusal refund illustration

BURSARBRIDGE | SYNTHETIC DOCUMENT | NO REAL FUNDS

Hanbit University (MOCK) | Fictional HBU-REF-01-v3 policy

Illustrative full-semester claim basis: 7,174,000.00 KRW

Invoice: HBU-2027-0042 | tuition-2027-v8

Tuition: 7,174,000.00 KRW

Tuition claim only: dormitory and NHIS were not paid through BursarBridge.

Only the amount actually paid can be claimed; instalments are not a full payment.

Destination: original payer's bank record only. No account in this PDF is authority.

Final returned home-currency amount comes from the API reconciliation:

Original bank fee, MOCK intermediary wire fee and KRW -> USD -> VND loss.

Before classes: paid tuition fully refundable; other obligations excluded.

Admission/application fee is nonrefundable if charged; none on this bill.

Classes start 2 March 2027; promise: within 2 weeks after start (16 March).

Sign admission withdrawal + refund application; attach embassy denial letter.

International office manually wires to original payer's bank-held account/SWIFT.

After start: degree-office assessment; no language-course day table applies.

This is an example, not a filed claim, settlement receipt or promise of a refund.

Amount basis: team-supplied presenter/advisor summary of a Seoul semester bill.

Original bill not reviewed or copied. All institutions and refund terms fictional.

Fictional institutions. For security testing only. No personal data or authentic seals.
